DISCLAIMER

01 Some configurations and specifications of the models sold in the market may differ from this configuration table. Please refer to the actual vehicle for specific details.

02 Please do not compare the content of other samples with the equipment and parameters of the car you purchased and make compensation requests based on the differences between the two.

03 The actual driving range is influenced by many factors such as driving style, vehicle load, traffic conditions, weather, road conditions, terrain, battery condition, and the use of climate control. The declared range is provided for reference only.

04 Colours depicted are for guidance only and may vary from the actual vehicle due to printing, photography, or display settings.

05 Driving assistance and intelligent safety systems are designed to assist the driver and are not a substitute for the driver's responsibility to operate the vehicle safely and remain attentive at all times.

06 OMODA & JAECOO UAE reserves the right to change or modify vehicle specifications, features, equipment, colours, and standard or optional items without prior notice.

07 OMODA & JAECOO UAE reserves the right to vary vehicle specifications and standard features from those detailed in this brochure without prior notice.

08 Performance figures, fuel consumption, electric driving range, charging times, and efficiency values are based on estimates obtained under controlled testing conditions. Actual results may vary depending on driving style, speed, ambient temperature, terrain, vehicle load, tyre selection, battery condition, maintenance, and other operating factors. These figures are provided for reference and comparison purposes only and do not constitute a guarantee or commitment regarding real-world performance or driving range.
